

# FirstName B. LastName, MD

email: f-lastname@comcast.net telephone: 617-555-9090

## Executive Summary

---

Dr. FirstName LastName has had a broad experiential career spanning physician and executive leadership roles in academic medical centers and multiple community health systems. As a consummate matrix manager, he leads by influence rather than authority or power. Dr. LastName is considered a trusted colleague leveraging his integrity and collaborative skill to achieve career and institutional goals. He has excelled as a patient care physician, an internationally recognized clinical researcher and a physician executive in the C-suite.

## Professional Experience & Accomplishments

---

### Chief Medical Officer

### Academic Community Health

2019-Current

**Responsibilities:** Responsible for clinical integration and quality and safety for Academic Community Health's three academic tertiary medical centers, seven community hospitals, an orthopedic specialty hospital and a psychiatric hospital. ACH was created in 2019 by the merger of Academic America Health, a 670-bed academic medical center and partner to Teaching University Medical School, and Community Health, a nine-hospital not-for-profit health system spanning three counties.

#### Selected Accomplishments:

- Developed an organizational structure for Quality and Safety and responsible for setting system's quality goals.
- Reconfigured safety reporting used by multiple ACH hospitals to a single electronic platform enabling safety data compilation and reporting at the system level.
- Standardized patient experience surveying and reporting across health system.
- Directed formation of a system Pharmacy & Therapeutics Committee overseeing hospital and ambulatory clinic formularies to reduce cost, decrease redundancies, and promote drug safety
- Created system Command Center transacting >11,000 inter-hospital patient transfers by co-locating transfer centers of 3 tertiary hospitals, maximizing bed capacity across all 10 of ACH's hospitals, reducing out migration, and enhancing patient load balancing.

### Interim Chief Executive Officer

### Community Health

2018-2019

- Led Community Health through its final state and federal regulatory stages into its incorporation into Academic Community Health.

### Executive VP & Chief Medical Officer

### Community Health

2012-2019

- Served as the CMO of Community Hospital and Medical Center and transitioned into CMO of Community Health
- Provided strategic guidance as a C-suite physician leader in formation of Community Health system incorporating Community Clinic, Neighborway Health Corporation and NextDoor Hospital
- Provided strategic and clinical direction for over 35 medical, surgical and primary care departments.
- Established new transfer center providing a single access point for inter-hospital transfers (3000 annually)
- Improved access to ambulatory clinics using industry benchmarks
- Instituted new compensation plan for Community Health-employed physicians based on clinical productivity, quality and patient experience components
